balance up to \$10,000.

## Legion News

### **Branch #162 Community Announcement**

**The Langruth Legion will be closing its doors effective November 12, 2012. We thank all our patrons who supported us throughout the years, in turn helping us to give back to our community.**

### **Fifty and Beyond News**

The Langruth Seniors held their monthly business meeting on October 2<sup>nd</sup>. There was lots of discussion about the Northwest Region meeting held on September 25<sup>th</sup> in Langruth. It was a very good day with one of the best attendances at this type of meeting. There were 36 people here from Gladstone, Plumas, Amaranth, Glenella and Langruth. After the meeting in the morning and after lunch we had entertainment for everyone. The Sklars from Gladstone sang and played a number of songs for us, entertaining for about an hour. We even had a Hawaiian number with three very well dressed ladies doing the hula for the occasion. They wore hula skirts and leis and even coconut enhancements. Members had been asked to bring some funny or strange stories to share. We shared our stories after the entertainment and that was entertaining and humorous as well. We ended the day with a good round of Card Bingo which all joined in and seemed to enjoy. Before leaving everyone was offered a bit to eat from the left overs from lunch with a cup of coffee. From all accounts everyone enjoyed the day.

A number of our members attended the Central Plains meeting in MacGregor on October 16<sup>th</sup>. I will have the details of that meeting for you next month.

We have a few get well wishes to send out to some of our members who are not feeling well. We wish Jessie Yungkurt, Inez Rinn, Marg Rhodes, and Bernice Evenson speedy recoveries and the same to anyone that I haven't mentioned who is not well.

I don't have much other news except to tell you that there will be a Craft Sale on Friday, November 23<sup>rd</sup> from 2:00 PM until 7:00 PM. The seniors will have a table there again as we do most years.

### **Fifty & Beyond...continued**

We had a couple of birthdays in September. To Raymond O'Connor and Ruth Emisch we wish a very Happy Birthday.

Our next meeting will be November the 6<sup>th</sup>. Our monthly supper was held on October 25<sup>th</sup> and we had a Halloween theme. Also, the Christmas Tree Lighting will be on November 30<sup>th</sup>. Talk to you next month,  
Teri

### **Nature Notes from Raymond O'Connor Eastern Screech-Owl**

Perhaps the best-known owl in eastern North America, the Eastern Screech-Owl is a small tufted bird found in a great variety of habitats, from

wooded lots to urban gardens. It is able to flatten its ear tufts, giving the head a rounded appearance. There are two distinct colour phases, reddish brown and gray, plus brown intermediates. Its voice is not a screech but rather a mournful whiny familiar to many.

The Eastern Screech Owl is nocturnal becoming active at dusk. It feeds on a wide variety of small vertebrates and invertebrates, including insects, crayfish, mammals, amphibians, reptiles, birds and fish.

When this owl uses a cavity for a day roost, it will often sit in the entrance. When approached on its roost, it will flatten its body, erect its ear tufts, and close its eyes in an attempt to hide by blending into the background.

The nest is lined with feathers and debris from food and usually located 3-9 meters above ground in a tree. The Eastern Screech Owl will also roost and nest in nesting boxes sized for wood ducks or flickers.

Eggs are incubated for about 26 days mostly by the female. The young stay in the nest about 28 days and are fed by both sexes. One brood is produced per year.

The Eastern Screech Owl is most common in Eastern Manitoba.

### **News from Here, There and Anywhere**

#### *Reporter Teri Soos*

Hello again! Seems as if it was just a little while ago that I spoke to you but I guess a month has gone by. It seems that we have gone from summer to winter and now it is summer back again. We have had rain, snow, wind, sunny, very unsettled weather. We have had a bit of snow, just before Thanksgiving but we were very fortunate not to get the storm that hit south-eastern Manitoba. We had a quite a bit more rain which was very badly needed. Since about August, maybe even July, its been very dry. I would rather have the rain than snow and I'm sure most would agree with me. Snow makes icy roads and that gives too much trouble so let's just have some more rain or even sunny weather whichever comes first.

I haven't got very much news to tell you this month because nobody seems to have been doing anything – at least they haven't told me what they have been doing.

### **News from Here, There...continued**

I do have some nice news. Jane Wilson has some new grandchildren. I say grandchildren because they are twins, a boy and a girl. The twins were born to her son Chris and his wife Nicola of Winnipeg. Great-Grandmother is Alverna Arksey. I have a few names of folks not feeling well that I would like to wish a speedy recovery. Inez Rinn, Jessie Yungkurt, Marg Rhodes, Bill Jackson, Harry and Nancy Cummer. I would also like to add Adam Single who lives in Winnipeg. He has been in hospital for a little while. Also, Bernice Evenson, the president of our Seniors Clubs, is still recovering from an accident. To anyone that I have missed that is feeling under the weather; we wish you a speedy recovery and hope that you are back to good health soon.

We wish a few of our young people well as well. The social for Kevin Verwey and his wife Gina was very well attended. There was also a social for Eyvi Hanneson and his bride-to-be Stacey Bell in Gladstone. We wish these two young couples all the best in their future.

Margaret and Ralph Jonasson celebrated their 50<sup>th</sup> wedding anniversary on the long weekend in October. Their actual anniversary is in December but the family decided to celebrate early to avoid winter weather. They had family members from near and far attending. Helen Karaz and her daughter Maurena from Toronto were there. Others in attendance were Margaret's brother Ernie and his wife Cathy from Edmonton Alberta. I have not seen them for a number of years so it was certainly nice to visit with them while they were here. We wish Margaret and Ralph and anyone else celebrating anniversaries many happy returns of the day. Also Carol Skanderberg was here visiting with Marsha and Ernie Soos for a few days. She is from Sioux Lookout in Ontario.

We have had a few Fall Suppers in our area. There was one at Amaranth in September, and also one here in Langruth on October 14<sup>th</sup>. Both had very good attendance and the food of course was excellent. Both communities appreciate everyone that came out to support their Fall Suppers.

A few other events that are coming up that we hope that you will be able to attend include the Craft Sale on November the 23<sup>rd</sup> from 2:00 PM to 7:00 PM. Also there will be the Christmas Trees Lighting on November 30<sup>th</sup> at 7:00 PM. Afterward there will be

### **News from Here, There...continued**

cocoa and cookies served in the school gym as usual. This is really a very fun event as it is the beginning of the Christmas season and brings out many to see the Christmas tree light up.

I know that there are a number of birthdays this month but I don't have all the names so I won't try and mention everyone. There a few in our seniors club and actually I am one of them. At this time I would like to thank everyone that wished me well on my special day. I would also like to extend my good wishes to anyone who is celebrating this month. We wish you many happy returns of the day and that you have a very good year to come.

On Sunday October the 21<sup>st</sup>, Pope Benedict in Rome canonized a Native American girl named Kateri Tekakwitha as a new saint. She lived in the eastern part of Canada. She is a Canadian citizen although she was born in the United States. There are not too many Canadian saints. The Sandy Bay Catholic Church celebrated this occasion and asked other churches to join them for their service. Afterward they held a feast at the church at Amaranth.

We hope that you all had a very enjoyable Thanksgiving. The weather was quite favourable for travelling. So if you traveled over the weekend or had visitors we hope that you have a lovely Thanksgiving weekend.

Philip and Phyllis Thordarson and their daughter Theresa went out to Pincher Creek, Alberta to celebrate Thanksgiving with Phyllis's parents. Their daughter Heather and Husband Tyler Jordan from Banff joined them there as did Phyllis's sister Lynda and her husband Keith Stephenson from Calgary. At the end of the week end Theresa went to Banff with Heather and hopes to find work there.

I know people have been traveling back and forth but I haven't heard what people are up to. So if you would be so kind, please let me know sometime what you have been up to so I can add some more news to the newspaper.

There isn't a lot more to tell you at this time except that the Flu Shots were available in Langruth on October the 22<sup>nd</sup> at the C-FAN Building. I hope that most people will be able to get their flu shots. I have had them for the last number of years and have found that they have helped me in the winter at least through the flu season. I know

### News from Here, There...continued

that there are a number of other places having flu clinics so I hope that anyone that is interested will be able to get to one of these places and get their flu shot for this year.

That is all the news that I have at this time so I will sign off for now. Hopefully I will see you at the Craft Sale or Tree Lighting or I will talk to you next month.

Have a good month,  
Teri.

### **Langruth Elementary Upcoming Nov.**

#### **Events**

Nov. 8: Picture Retakes

Nov. 12: No School . Admin Day

Nov. 22: Student Led Conferences

Nov. 23: Student Led Conference/Admin Day

November Issue of the Langruth Views is  
Nov. 9th**

### **Extended Feeding and Grazing Workshop**

There are a number of options for cow-calf producers to extend the grazing season into the winter months and cut winter feeding costs. Extended grazing is ideal for mature animals in good condition, coming off fall pastures. Learn more at this workshop:

**Thursday, November 1, 2012**

**MacGregor Senior Centre,**

**MacGregor MB**

1:00 p.m. to 4:30 p.m.

Topics include:

- Extended grazing options (bale, corn and swath)
- Cutting winter feeding costs
- Extending feed supplies with ammoniation, molasses, straw and byproducts
- Local trial results
- Balancing rations
- Extending feeding supplies
- Humane transportation of livestock with representatives from the Canadian Food Inspection Agency

Also included is a tour of extended grazing sites at the farms of Ken Wright and Harry Blankvoort.

There is no cost to attend this workshop.
