

Catholic Churches

Annual Mission Weekend

The Annual Mission Weekend March 16th -18th was a joint effort between all the Catholic Churches with all congregations taking part. On behalf of the three Catholic Churches we invited anyone interested to join us for this special occasion. We had an excellent speaker Mark Mallet.. This was a fine Lenten activity for all.

Fifty and Beyond News

The Langruth Fifty and Beyond Club held its monthly business meeting on March 6th with seven members present.

We, along with everyone else, had been so enjoying the lovely winter but then we had snow and we were complaining of how hard it was to get around.

Fifty & Beyond... continued

I guess we never change and will complain at the drop of a hat. Now the beautiful weather is back, better than before- almost summer temperatures even before the official arrival of spring! There has even been a little thunder storm.

We have not been enjoying the flues and colds going around. And getting over them takes so long. Some of us seniors have been battling a cold or something like it since the fall. We were saying at our meeting that what we needed was a few weeks of really cold weather to kill these crazy germs but if I remember rightly no one said they’d be asking for that any time soon. You know what they say, be careful what you ask for.

A number of people from our club and area went over to Gladstone on March 8th to attend a birthday party for Jessie Yungkurt put on by her daughter Donna McLaughlin. It was so nice to hear Jessie is looking well and enjoyed the day. Jessie has belonged to our club most of the years it has been in existence.

While I’m on birthdays, let’s send our best wishes to Alverna Arksey, also to Ellen Forsley of Portage but formerly from our area. Ellen is doing well and she will be 95 this year. Many happy returns to them on their special days.

As with most seniors we’re not doing much these days but hopefully once spring comes we will be getting out more and doing things.

Our monthly supper will be on March 22nd at 6:00 p.m. in our clubrooms.

We entered a team in the Trivia Night on March 10th, as we like to take part in community activities whenever we can. We had a good time but didn’t win. The night was in aid of the Multiple Sclerosis Society and everyone knows someone suffering from this disease. It was put on by the Hill and the Egilson families.

The seniors are having a meeting in Gladstone on April 2nd where we hope to get more information on what the clubs will be doing now that M.S.O.S. has disbanded.

So it looks like we will have things to do in the next while. I will fill you in next time.

Talk to you soon, take care.
