### Dallas Jonasson Career Trekker of the Year

Dallas Jonasson

Dallas, Shay & Kory

Dallas Jonasson recently enjoyed taking part in a program called Career Trek. Dallas was enrolled in Career Trek's Westman project.

The Westman Project, based out of Brandon, Manitoba provides students as young as 10 with hands-on career experiences where they take part in learning about 48 careers in approximately 19 fields. Over 180 participants take part in the Westman Project each year, which takes place at Brandon University, Assiniboine Community College and Manitoba Emergency Services College. Each Saturday Dallas went to Brandon University/ Manitoba Emergency Services College or Assiniboine Community College from 9 A.m. to 3:30 p.m. During the weekends people's pulses were taken, bones studied, and students heard stories about various areas of study: biology, nursing, paramedics, education, archaeology, business and much more.

Dallas received his diploma and also got the "Career Trekker of the Year" award which means he will attend a week at Brandon University's mini camp.

Congratulations Dallas!

The Lakeview Fire Department recently purchased used "Jaws of Life" from the La Riviere Fire Department using funds from Langruth's Centennial.
