Fifty and Beyond News

The Langruth Fifty and Beyond Club held its monthly business meeting April 3, 2012 with six members present.

We have had quite a busy month this time around. A number of us went to Gladstone for a Central Plains meeting and we went to Plumas for a North West Region meeting. Of course we had our own meeting and then we had Easter week when everyone is doing something special with extra church services and visitors. So we, usually quiet seniors, did a fair amount of moving around for a change. Our monthly supper in March was an early Easter feast. Even the Easter Bunny made a call. He left packages for all of those attending but he didn't really show up himself.

Our April Supper will be on the 26th. Attend if you can. As you know, anyone over 50 is welcome. April is always elections month for our club. It went really quickly with the committee being re-elected for another year. They are: Harry Lazor – President, Teri Soos – Secretary, Emily Thompson – Treasurer, and Rena Arksey – Cheer.

As I have said before, M.S.O.S. is now no more but we are going to try and keep the Central Plains going. Our President is quitting so the clubs involved are looking for a new president and hoping someone will volunteer soon.

We had five birthdays last month; Jessie Yungkurt, Erna Wiebe, Ann Craik, Harry Lazor and Pat Letendre. Henriette Kleemola's birthday was on April 15th.

Happy Birthday you all..

Get well wishes to Ken Gardiner and of course to anyone else not feeling up to par these days.

Harry Lazor and Teri Soos are going to try their luck at Oakville in the Whist Playoffs. If they were to win they would go to the Manitoba Seniors games at Arborg.

Well that's about it for now. We wish everyone a happy spring with nice weather.

Talk to you soon,
Teri

Our dear husband, father and grandfather who passed away
February 12th, 2011.

God saw you getting tired

A cure was not to be

So he put his arms around you

And whispered, "Come to me."

A beautiful heart stopped beating

Your turn to have a rest

God broke our hearts to prove to us

He only takes the best

Loving you and missing you every day,
