

Students are Staying Active...Continued

total of \$1018 was raised. Thanks to everyone for their donations!

Students are also playing badminton in gym class, and our older students are preparing for the divisional tournament which will be on April 18 at MacGregor Elementary School.

Thanks to our Volunteers

Skating season is over, and we would like to thank those who made it possible for us! Thanks to the Langruth Skating Rink for the use of the rink, Dave and Lissen Johnson for being available to open the rink for us, Kevin Johnson for coming to tie skates, and the PAC for the Hamburger Skating Party! In our short winter, we really appreciate all of hard work it takes for our volunteers to make this facility available to us. And, again, thanks to our Parent Advisory Council for the time they put in to things like planning the current play structure project and cooking hot dogs every Friday. We are very grateful!

Langruth Students Caught in the Act

During the last week before spring break, the staff have been catching several students in the act of being good citizens. Since the snow has melted, there has been an abundance of garbage found on the school property and some students have decided to clean it up! They have been spending much of their recess time bagging and recycling. Kudos go out to these good citizens for taking this opportunity to do something for their community without being asked!

Next Pre- School Part April 24th @10:30

Please join us in the Kindergarten room for a story, craft and snack! Parents are encouraged to come along with their preschool children.

If you have not registered your child yet for next year's Kindergarten class, please stop in at the office to get a registration form.

The deadline date for submission to the May 2012 Edition to the Langruth Views is May 5th
