

News from Here, There ...continued

her. Ola Czeranko came with her daughters Katie and Margaret and her children as well. Lissen Johnson and her daughter attended. Ardeth Poschenrieder and her daughters Kim Leslie and Cindy, as well as Cindy's daughters and children attended. I'm sure there were others too I just haven't been told about them.

We had a lovely Bridal Shower for Jessica Dick with quite a few of her family here as well as other family, friends and relatives.

There was also a lovely bridal shower for Haylee Johanson with many of her relatives from many different places attending.

There are two more bridal showers to come, Holly Gardiner's on May 26th in the Legion for at 2:00 PM and Melodie Leclerc's in the community hall on August 18th at 7 p.m.. To these lovely young ladies and their future husbands we send our best wishes for much happiness and a long and very happy married life.

While we're handing out greetings I don't have a list as such this time but to anyone and everyone celebrating a birthday or an anniversary we wish you all many happy returns of the day. I understand I mixed up a few birthdays in the last few issues so I will just wish everyone celebrating happy days.

We also want to wish anyone who is under the weather for any reason a speedy recovery. We hope you will soon be up and around to enjoy the fine weather we're having. One person who we all wish a speedy recovery is of course Roger Leclerc who had the misfortune of breaking his heel while cutting down a tree. Roger is one of those people who is involved with many things that his being out of commission has caused many a shakeup in getting things done. Get well soon Roger.

Sadly I have a number of passings to tell you about.

Garth Leys - Garth Leys is a former resident who did most of his growing up in our area. Garth now lived in Rapid City with his family. Sadly Garth was still a young man - only 50 years old.

Tannis Connel Brown - Tannis was also a former resident of our area and lived in Winnipeg with her husband and family. The Connel family lived in our area for many years.

Cecil Desjarlais - Cecil was formerly of Sandy Bay and was well known in this area due to his many years as a teacher and principal of Sandy Bay School.

News from Here, There ...continued

Margaret Eastman Hanneson - Margaret was also formerly a resident in our area and spent most of her growing up years here. Margaret was now living in Calgary.

Lucille Puddicombe - This lady too, formerly lived in our area and raised most of her family around here. Lucille was now living in Alberta. To the families and friends of all these fine people we send our deepest sympathy and we hope that memories of happier times will help console you in days to come.

By the way, I did hear that there will be a "All-Around-Town" Sale on June 2nd so watch for posters.

Until next time, take care,

Teri.

Card of Thanks

*Thank-you everyone
who came to see me,
called
or brought me goodies
while I was out of
commission due to my
broken hip.
Your kindness will
always be remembered.
Thank-you again,*

Inez Rinn
