### D.A.R.E. (Drug Abuse Resistance Education)

Constable Gibb has been meeting with our Grades 6-8 students in April, and instructing them in the D.A.R.E. program. Their windup will be on May 18. We would like to thank the R.C.M.P., D.A.R.E. and the constable for their efforts to bring awareness to our students so that they can make wise decisions when encountering drugs. For more information, you can check out the website at [www.dare.com](http://www.dare.com)

### Books Missing from the Library

We are missing some books from the library and encourage everyone to have a look around their house to see if you happen to have some of these books at home. We would love to have them returned to our library so that other students may be able to read them. In particular, three of the four hardcover books in the Twilight Saga (Twilight, New Moon, Eclipse, Breaking Dawn) seem to have vanished...the only one here is "New Moon".

### Field Trip Planned for Entire School

On June 11, the entire school will be heading to Fort Whyte Centre in Winnipeg to take in a couple of their programs called "Cattails and Coots" and "Le Voyageur". This is an awesome place to learn and experience more about Manitoba and our environment—sure to be a fun day! We will be sending more detailed information about the agenda and meals later in the month.
